

Golf title at record high

Golf Digest has posted its highest ABC figure since its launch in 1995 with its recently released April - June 2006 figure of 28 820 - a 14.5% increase on the January - June 2005 period. Associate publisher, Craig Ross remarks, "I am very proud of Stuart Mclean and the team has worked tirelessly to deliver a quality product... We strive to provide a sense of adventure in every issue and readers have responded accordingly."
